

“Save A Friend” Foundation is a community action group with a mission to prevent drug abuse in our community and help children to take a stand for a drug free life. We also help those who are affected by drug addiction.

Rowan University Center for Addiction Studies and Partnership for Drug Free New Jersey are also part of our group. They offer us resources to help educate parents and children.

Come join us in making a difference in our community and schools. We are inviting you to come to our programs we offer at Clearview Regional High School. The Clearview School District is constantly striving to help our children be drug free and is proactive with the issues our children are facing.

Families that are in recovery will share their experiences, strengths, and hope for the future. If you are affected by an addiction or know of someone who may need help, you do not want to miss this meeting as you may save a life!

Our group meets on the **fourth Wednesday of every month at 7:00 p.m. at the Gloucester County Library-Mullica Hill** (located next to the Clearview Regional High School). No Clearview staff will attend our support group meetings.

If you have any questions, please call Charlotte at **478-4271** or Barb at **468-8545** or email save-a-friend@comcast.net.
