

SCHOOL IN MANTUA RECOGNIZED FOR ACADEMIC EXCELLENCE

Bright Beginnings Private Preschool and Kindergarten was opened in 1978 by Tom and Barbara Trofe. The school is located at 536 Lambs Road in Mantua Township.

As young parents of 2 preschoolers they couldn't find a school that met their need for safety, cleanliness, class size, and academic programs that would challenge their children. They also wanted the program to be fun and encourage a lifelong love of learning

Over the past 38 years literally thousands of children have attended Bright Beginnings West and the school is recognized as one of the best in Gloucester County.

The strength of the program is its small class sizes, individual attention, certified teachers, qualified aides, and strong management.

Bright Beginnings West is open from 6:30 AM to 6PM Monday thru Friday. They offer classes for children ages 2 1/2 through Kindergarten. A variety of schedules from 2 half days to 5 Full days are available to meet any parent's schedule.

Bright Beginnings has some very family friendly policies such as no charge for holidays, make up days for absences, multi child discounts, yearly discounts, and reasonable tuition.

Each year the Kindergarten children are tested using The Terra Nova Standardized Test. This test is administered nationwide to hundreds of thousands students. Bright Beginnings West's students consistently are in the top 3% nationwide.

Feel free to stop by the school or call them at 856 256 1166 for further information.
